Dear Sir,

**INTRODUCTION OF SWAN BRANDS AND SWAN DISTRIBUTOR -
MR DELE AJEGUNLE OF ZOZAMI VENTURES, EKET.**

It is our pleasure to introduce SWAN brands (Natural Spring Water and the new SWAN soft drinks) and our distributor covering Akwa - Ibom State and its environs to your very reputable organization.

The SWAN brands are from the stable of Spring Waters Nigeria Ltd; a subsidiary of UAC of Nigeria Plc; one of the largest and leading conglomerate in Nigeria.

SWAN water is a premium brand of Natural mineral water and proudly remained Nigeria first bottled and spring water. It neither contains any additives nor is it subjected to any chemical treatment. An addition to the portfolio is the SWAN soft drinks presented in three exciting flavours; apple, orange and pineapple. They are bottled using modern technology with strict conformity to regulatory quality processes that guarantee the preservation of its pristine naturalness and top quality refreshing drinks respectively.

SWAN brands still remain the choice for upscale establishment including Mobil Oil office in Lagos and discerning, quality-conscious customer across the country. The water is currently presented in light blue PET bottle in 150cl and 75cl pack sizes while the soft drinks is only available in 50cl.

We are poised to give an excellent service at a competitive price that will enhance the delivery of superior value to your organization through our distributor. Should there be need for formal meeting to discuss issues of mutual interest, this can be arranged. We look forward to a good business relationship.

Yours Sincerely,

DEVI ALONGE
Brand Manager
